

Volunteer

Whether you want to complete community service hours for school, network with like-minded people, or simply give back to your community, consider joining our network of volunteers across Canada.

Volunteer with us and support your community!

Volunteers are the key to our success. Without them, we wouldn't be able to carry out our mission of giving young people the opportunity to learn both of Canada's official languages. Whether it's joining your local CPF chapter, helping out with youth activities, reaching other parents through information sessions or doing advocacy work, there's always something for everyone.

Benefits of becoming a CPF volunteer

- Completing required community service hours for high school graduation;
- completing community service hours, internship hours, or education hours for university;
- engaging your company or work team;
- giving back to your community;
- inspiring a new generation of bilingual Canadians;
- maintaining your French or English;
- meeting new people and/or networking with likeminded individuals across the country;
- and, contributing to the linguistic duality of Canada.

Volunteer Opportunities

We need people of all ages and backgrounds with a common love for promoting French as a second language to our fellow Canadians. We're always looking for French tutors, contest judges, summer camp counselors, event speakers and more. See our volunteer opportunities on *Better Impact* today!

Volunteer Testimonials

I volunteer for CPF because it is an opportunity to give back to an organization that has given me so much. When I was preparing for my post-secondary studies in French, I received a lot of support from Canadian Parents for French. CPF New Brunswick also gave me the opportunity to connect with youth who have a passion for French and bilingualism and to encourage them to pursue their dreams.

Volunteer Recognition

To our CPF Chapters, Teams and Volunteers, we say **THANK YOU!**

We cannot thank you enough for your contributions, efforts and ongoing support. You have made and continue to make, FSL learning opportunities a priority in the lives of students across Canada. Every April, CPF celebrates National Volunteer Week by recognizing individuals from across Canada who have shown a strong commitment to CPF and FSL learning. Their dedication is an inspiration to us all.

See below to view our all – star volunteers (recognized by year).
