What People Say About Marco Polo Land

★★★★★

Outstanding Park!

This is a beautiful park and extremely large. There are trees, but lots of open space, too. Extremely large sites and very good hook-ups. Lots of activities for the kids. Management is outstanding. There is a restaurant on site. It is close to all of the Anne of Green Gables location. Be sure and stop here.

Young kids will love it!

Our kids have an absolute blast there, they never want to go home! The campground is well maintained and has a amazing staff of hard working individuals! The chef there makes the best fries with the works!
